

1873

Feb 19 Ed drew a load of wood for Humphrey appears he got one of Humphreys horses to draw & took one of ours to Delta to an Agriculture meeting

19 came home to day from Delta we got our photograph taken when there. It was water in view that the fall show be held in Delta. Ed drew a load of shingle stuff home from the g. Con the roads is very bad snow

20 Ed drew a load of shingle stuff home the Rev. W. P. Brown (lecture) on Temperance in the church

21 very stormy day snow with high winds. no went to grocers with a load of shingle stuff. Pollie got a seag in her foot & was lame

Snow

22 Ed went to grocers with a load of shingle stuff then he went to the outlet for part of a load he left there

1.3

the Rev. W. Gordon preached in the church this morning & the Rev. W. Robinson in the evening very cold

23 very cold day with high winds the Roads block ice up the Slaughter is going in the fields

24 Ed went to a box of Mrs. Mc Kibbles draw cord wire saw & we came home last night fine day

25 David & Ed went to the gth Congress line between Ed & Stacy there is some plundering going on there

Charles Roth & Thomas Bradley helped him they got it done

26 they went back to day to run Stacy's east line very stormy day snow & wind

got home to night the plundering was on Stacy Ed has got a very bad cold

27 Ed in bed most of the day the roads is very bad
