

Broton June 1883
Thu Jun 14th Clear and hot. game Staggs
and I finished the board fence on the
sides of the lane. John was plowing the
little North East of the barn.

Fri Jun 15 Clear and warm. this fore noon
James Staggs & I was hanging two gates
after noon I planted the little field with
corn John & Staggs drawing rails out
of the lane and fixing up fence. Settled
with and paid Staggs in full

Sat Jun 16th Cloudy fore part of the day hot
a heavy thunder Shower this evening.
I went over the river and gave the young
cattle some salt. this fore noon. I and
the boys was cleaning the old rails out
of the lane the rest of the day.

Sun Jun 17th Cloudy and Sultry very hot. rain
in the evening

Mon Jun 18th Cloudy Thunder Showers through
the day the ground very wet. not doing
much cutting up a few thistles.

Tue Jun 19th Cloudy threatened rain but noon
came very high. wind in the evening was help-
ing John. W. Snarey lay the foundation of
his drive barn this fore noon after noon
took the fat sheep to the ~~large~~ bridge. Sold to
R. Lord
