

April ^{the 25}₂₅ 1904

25

I went out to the mill and got a load of my lumber it was a cold day I went over to Rubens and cleaned up some seed oats 16-bags it weighed - $49\frac{1}{2}$ bushels

26

I sowed oats to day for the first this year & barley trimmed trees out back this morning I sold old furch to night for \$70 I dont now know I will get there with the work now I am a you now what I mean

27

We built fence it rained this afternoon and is raining yet Misses Brown is here hanging paper to day

28

We went to the bush and cut blocks for the house and I went up home and got some oats for seed it tried to rain all day & Charlie went to town to night to log

April ^{the 29}₂₉ 1904

29

We went to the bush and got some blocks to put under the house I went to town with chop and got some timothy seed it is raining to night the frost is not all gone yet in the fields

30

We put the blocks under the house it rained off and on all day & Charlie went to the corner to night
