

too cold I guess
Bought 3 ~~seeds~~ at
23 ct/lb, weighed 15 lbs each
Sunday Dec 21 still very
cold with some snow
on the ground, 2 below
zero in Toronto. so it
must have been below
here.

Dec 22. Very cold yet, drove
down town Christmas
shopping and to the
station for some parcels
from Toronto

Dec 23rd. a little milder
with some more snow,
went up to Hamilton with
some presents, also with
the rollers of the Washing
machine.

Dec 24th, working around
the house and putting
on storm doors getting
colder again, fixed
up our first Christmas
tree tonight, some job

Dec 25th. Very cold
below zero I guess.
Charlotte & Daisy had
a big time, with
the Christmas tree,
Went down to Johns
for dinner + supper
John drove us home in
the cutter, dandy
sleighbing. but
snow not very deep
very cold tonight
sure having a
real winter.
