307 DAYS PAST

58 TO COME

Highly Useful and Satisfactory.

A well known physician of London, Eng., reports: "I have much pleasure in adding my testimony of the highly useful and satisfactory results obtained from the administration of your elegant preparation, Pepto-Mangan (Gude). I intend to continue its use as occasion offers."

Weather

Temp.

Raining this morning
fared up about ten. I
cleaned the dining room
bedroom & moved the parlor
bedroom suit out there.

Then when the girls come
home from school. Melba
& I went out to Mrs. Davises
at Orwell for a bureau.
Don't know if I can get
it or not. Melba & I dined
last night.
