42 TO COME

In a Majority of Cases

met with in daily practice, a rational therapy includes the use of an efficient hemoglobin contributor. **Pepto-Mangan (Gude)** is preferable to other hematinjcs because it is, at once, palatable, non-irritating, non-constipating and distinctly efficient as a corpuscle constructor and hemoglobin creator.

Weather

Temp.

Rained very hard last night, all the ditches was full, & has rained off and on all day. I took the girls to school & went for them. John & I went over to Lukings funeral & John & Gerwin was burial bearers. I went back with Aunt Bell & then home. Hattie & Helen came home with us, to finish Maudies dress. Alita was at the funeral. John & Joe husked corn in the barn this fore noon. Mariah 15 Dalley 2 1/2
