I have been at home all day long - day out Charley has been off enjoying himself. I have a considerable respect for that old adage. All work and no play makes Jack a dull boy.

This first day of the new year I have spent well, for I have been as busy as a hatter.

Giving my fences &c. The weather is still beautiful, so nice to last long.

I have been writing my letter to my friend F.O. & his wife.

I have been happy today - happy in that various sense. Long to his noble name.
