

my hand first last night cold day I went to
 the funeral of the old man Webster she was buried at the
 common church in the house of Mr. Sheldon preached the day
 there is no work done ... the grain is in we have
 my spring work so I & me cleaned up 442 bushel
 of oats for to take to Mr. Keys for to calang for the
 I went to the station to trial between John David
 Saterian & Mr. Shepard Robert Shepard Mr. Shealds
 & I got along fine adjourned till the 15th June of next
 I cleaned up 42 bushel of oats for to take to Mr. Keys
 it rained most of the day
 I went to Mr. Keys & exchanged the oats little rain
 drew 2 loads of dung to the garden when grain
 time rain this morning
 had Mr. Stewart preached this morning Mr. Walker at night
 I went to Bonanagea with the cultivator for to get it fixed
 he got a new section & got it all sown in cost 75^c cents
 I drew 2 loads of manure for Mr. Dean we drew
 load of dung from Darlings you & saw a Rotten
 saw working in Bruce McVie's field it die first rate
 took the potatoes out of the seller had 14 baskets of
 Chilleas & 11 of Enchee R. ones I tried to roll the grain
 I took Bill & Dave's horse to Springfield to get them
 shod I made a bill for the harness
 I began in morning I went by Sawyers oats in the same
 west quarter of the town I saw 13
 I went to the hills & David's bones in ground rather
 wet I got 13 w. be in the same field
 I saw 11 w. be in the same field
 I saved bones & ...
 when the oats are sown
 Turner is able to work in garden
 I saved 2 a bushel of Red Head wheat on the
 follow & 2 bushel of oats long side of the
 the north east corner of the field
 then harvested
 I got half of the seed
