WED. JULY 6, 1898

Wea.

I got up and made a fire, and after I had breakfast. I put Paris Green on the Potatoes after dinner. I was busy at Mr. Graham's white shirt - I did not get it done, as I had some other duties to attend to out side, this has been a warm day

THURSDAY 7

Wea.

I rose and attended to the morning duties and then I finished Mr. Graham's shirt and then I washed it and Thomas' clothes too. This has been a nice day. Mrs. Graham of Port Perry went home
