

Thursday, May 21

- 12  
 Feb 15<sup>th</sup> Went to Mr & Mrs Congo's for tea and to spend the evening.  
 16 Mamma & Jim Scharp came down for dinner and to spend the afternoon.  
 18 Finished drawing in corn stalks from the field, the corn was well eared and yielded about 24 bus per shock or about 13000 lbs in all saved about 2 bux of the best for seed.  
 20 Dark Holstein cow had a bigger calf.  
 21 Rained with just enough frost to make it freeze to the trees telephone wires etc, the worst icestorm we have ever had, breaking the <sup>old</sup> orchards very badly as well as trees every where and putting telephone wires & poles in very bad shape.  
 23 Were invited to Geo. E. Taylors for the evening but owing to the ice we could not go, Took Prince to Hartlys to get shod.  
 25 Light holstein cow had a dark bluish calf.  
 Mar 1st Not a bad day for the first of March fairly cold but not stormy.  
 3rd Went to Praxerial Contest at the Glen where I had been asked to help judge.  
 7th We all drove to Paris in the morning and I took the train to Woodstock went to Crozier's for dinner and attended Presbytery meeting in the afternoon.  
 8th Went to Weirs sale, it being the second day of it, the roads were getting very bad. The telephone men repaired our line and stayed here for dinner.  
 12 Dr Duntun came out to see Edith after a tumble at foot of cellar steps.  
 13 Beatrice Rye craft came to help. <sup>14<sup>th</sup></sup> Went to H. Clarke for a roan Charifer calf.  
 15 Took engine & saw to Hartlys to cut wood.  
 14 & 17 Drove 2 loads of hay to Paris to Knill & Gourley & Mr Gray.  
 21 Sowed clover seed in back 10 acre field, a fall of snow on the ground.  
 22 Hitched up colts Fred & Sandy to the sleigh for the first time.  
 23 Cut trees and broken limbs along the road in back field.
