

Mr James Cameron Monday Sept 12th 1871
Raising Potatoes in the Back Garden
3rd Bushels hand-dolphoned 13th
you in Fort Covington Commenced
day cut some marsh Hay 14th Summer
Squashes took over Peter's Grants
Pot went to see John Carey seen
Hugh Fraser my Hummer at
a great frost last night
British camp down with a raft
with tents on it. Put a King in
Barrett's Bull nose to day at Paris
Minister Kapourie across to Island
a man by the name of Wesley
Direct New Sweden to day Joseph
to the Fair he was a se habling
seen him help him over with a
passenger 15th took up some of the
in the Bush and they were small
what some that is the tops being
off and green and blossomed the second
time a Handson's large squash they
frost killed the vines in the Bush but
not around the House Bought of Al Baker
50 lb Flour at 3/4 on credit left a note for him
to hand to John Carey for 2 Dollars having
blowing down your door and Baker firing before
his door with ground

Mr James Cameron Sept 16th 1871
Mr Luke Bowen here got the loan of my
British. Husket gave him some envelopes
like told me I would get his spear beside
went to Wleow Island shot 3 Ducks got 1 the shanty
that was in Na Hooutas Island is built
Indians catching Rats since some time
in August I think the Drudge came out
with the British came over to day
about 5th Bushels in the cellar moves
of Potatoes 17th Sunday Writing to Charles letter Ram
high Wind 18th Began to cut in front Marsh cut 8
cocks hard frost and ice last night The Ram
along with the Little Nannie a great many canoes
and Boats on the Water to day cut some in the
Back Marsh shot a Duck Magnet went down
19th Henry Genie's Barge sailed down passed
the Door this Boy called to see me about the
number he told me he was married in January
his Father is coming up next week Hugh Ann
and Gordon gathering grapes gathered 2 Tubs
full Raining high Wind got 2 very small Turtles
lost one of them out of my Rocket 2 of the hens hatching
Ducked them in the Water and shut them up to
take the hatching of them 20th Shows in Lancaster
Charles and Willie Rose after the Ram and Wedder to
kill made 13 cocks in the Back Marsh shot Black Duck
Drew some chips and wood Linnia Bird with Tooth ache
and earache Raining some Water very low
