

The image shows a close-up of a marbled paper pattern, likely used for book endpapers or covers. The pattern consists of irregular, interconnected shapes in shades of green and teal, set against a background of reddish-brown and cream-colored veins. The overall effect is a complex, organic, and somewhat abstract design. In the upper-left quadrant, the year '1923' is handwritten in black ink, enclosed within a simple rectangular border.

1923
