THURS. DEC. 29, 1898

Wea.

I do not feel any the worse of my drive to Brampton, the boys are helping Will to do the chores I am busy cutting out Lancies coat I got a little sewed up it - W. Mundell is helping Will this afternoon to get up some wood

Ther.

FRIDAY 30

Wea.

I am busy again at Lancies coat but had not a great while to be at it, James came up and took a load of chop to Chelfenham Mrs Lumber went with him, to stop a while
