THURS. MAY 5, 1898

Wea.

It is still cloudy this morning, and quite cool. The boys are off to School. Mother and I are busy today at the house cleaning putting things to their places in forenoon, and after dinner I cleaned up the back room. I got through in good time. George broke the glass of the hot bed, and he feels pretty bad.

Ther.

FRIDAY 6

Wea.

I rose early this morning and made the fire, after we had breakfast, I went at cleaning up the kitchen. I whitewashed it and blacked the stove and washed the wood work and scrubbed the floor. I did a hard days work I was tired. (I set bread
