MON. OCT. 10, 1898

Wea.

I got up and attended
to the morning work
the boys are off to school
We were busy today mend^{ing}
and darning, it is dull
like rain Uncle David
came up this morning
he had dinner at George's
and tea here, it is a good
while since he was here
last

Ther.

TUESDAY 11

Wea.

Uncle David stayed with
us last night, and had been
-last with us, he then went
over to Alcoa to see Mrs O'Neil
it is wet this forenoon,
it came on heavy about noon
we moved the little stove
and got the men to bring in
the cooking stove, I blacked
the stove and got things to place
