

July

Monday, 6

(188-178)

1908

It was very warm I sowed the
back wheat it stormed very hard
about milking time Early Shave
as barns was burned with light
ning Katie came up on the
local I went and met her
1919.8 It was kind of sunny Sam was here
he & I drove back to eaters 1919.8 It was nice
& cool I lived in the forenoon & started to cut

Tuesday, 7

(189-177)

It was very hot Ida and Katie
and Robert went out to Mellisa
and John we sowed the turnip
it stormed hard in the evening
1919.8 It was quite a nice day I
took 4 pigs to Spencerill in the
forenoon and went down to
Mr Rich Wallace to a hen Demonstration

Wednesday, 8

(190-176)

It was quite cool I scraped
some down in the follow and
cultivated the roots and I cut
some hay after milking Archie
took Kate and Laura to some
hyster Ella Rose was here for
tea 1919.9 It was nice we worked
at the hay and the potatoes in the
afternoon
