

Thursday July 7, 1921.

Roy delivered mail and went to
a Pic. nic at the flow in the evening.
I did chores.
The day was fine.

Friday July 8, 1921

Mabel delivered mail, I went with
her on the second part and looked
up help in finishing survey of
proposed pumping scheme.

Mabel was troubled with tooth-ache
and got Mrs Gordon and David to go
to Methuen with her in the evening
and had the tooth pulled.

The day was cloudy.

Saturday July 9, 1921.

~~Roy delivered mail with the car.~~

Mabel delivered mail as far as the
Barry but was caught in the rain and
left the car there and came back
with Wallace's horse and I went back
with her on the second part and
we took the car round the rest of the
route, for the road soon dried.

Charlie and Roy came from
Paincourt on the last car.
