329 DAYS PAST

36 TO COME

After Typhoid.

Post-Typhoidal Anemia due to a prolonged iron-poor milk diet and the prostration of continued illness responds promptly to

Pepto-Mangan ("Gude")

which supplies the material for blood and tissue revitalization in palatable and absorbable form.

Weather

Temp.

Cold Warm

Pa & I went to Aybues with the girls & Pa bought a new set of harness & robe, then we came home for dinner & I went for the girls & Pa went to Mill, Billy 12½ Dab Polyt.

the flies were out
