EAST YORK WOMEN AT ANNUAL MEETING

Commendable Report Given
by Scarboro' Junction
Women's Institute

MRS. GRAVES RE-ELECTED

The varied character of the Women's Institute program and the possibilities of achievement were demonstrated by the splendid reports submitted at the annual meeting of the East York district of the Women's Institutes which took place on Thursday at St. Andrew's Church, Markham, with the President, Mrs. Irvin Graves, in the chair.

To the Buttonville Junior Branch, with a membership of 29, went the palm for attendance, which averaged 27. This organization purchased flannelette and made garments for children in an orphanage, at the same time providing a gift and cheer-box for each small boy. From left-over pieces a quilt was made.

Gives Cups for Oratory.

Lake View Branch reported interest-
 ing monthly demonstrations and com-
 petitions, and an ingenious use of the
 roll call. It donated two silver cups to
 S.S. No. 9 for a contest in oratory, gave
 assistance to helpless infants and to
 sick persons.

A particularly commendable report
 came from Scarboro' Junction Wom-
 en's Institute, and told of buying "wool-
 len underwear for the mother of a
 family, and underwear, stockings, boots
 and rubbers for the children." It sent
 regular donations to a deserted wife,
 assisted with a cot for the new East
 End Hospital, gave an offering toward
 the salary of a doctor in Northern On-
 tario, and sent flowers to various hos-
 pitals. It held a shower of canned
 fruit for the Home for Incurable Chil-
 dren, and another of fruit cake for the
 King's Mission.

The Richmond Hill Branch told of
 paying a story-teller to conduct a
 Children's Story Hour in co-operation
 with the public library, and the Stouff-
 ville organization reported a gift of a
 drinking fountain and 15 park seats to
 its municipality. A choral class with
 112 members was also organized at
 Stouffville.

A Flower Day in the month of August
 was a red-letter occasion in the Union-
 ville Branch.

Wexford Junior Institute told of total
 receipts for the last year of \$230, and
 expenditures of \$199. The various
 junior branches reported full member-
 ship in the League of Nations Society,
 and the Buttonville Branch became a
 member of the Child Welfare Council.

The Markham Sextet rendered sev-
 eral selections at the annual meeting,
 and one of the younger members gave
 a delightful piano solo. Mr. Harris
 spoke on the development of the new
 East End Hospital, to which the dis-
 trict is a subscriber.

Judge Mott Speaks.

Much interest was aroused by Judge
 H. S. Mott, who spoke about problems
 confronting parents. He urged his
 hearers to use every effort to reduce
 wastage in child life.

Mrs. I. Graves was re-elected Presi-
 dent by acclamation. Mrs. Young and
 Mrs. Mason were appointed Vice-Presi-
 dents, and Miss Heron was made Sec-
 retary-Treasurer.
