Thursday 9.

Very hot again today. Rained hard last night. We three went to town this afternoon. Charlie was here. I am putting my embroidered quilt together. To day was Carnation picnic.

Friday 10.

Very hot as usual, Charlie was here. Mabelle sent us berries and every thing to make jam with. I met Norma Trull at Rogers Corners for them, then went on down town. Maude has been sick all day.

Saturday 11.

Cool and fine for working. Had a terrible storm at Sparta last night and burned three barns. Maude and Mother went to town this morning and to St. Thomas tonight. Mr. Sturges was here to see about roding the house. Drew hay in the drive barn. Charlie was here! Real cool tonight.
