It was quite nice I went down and helped Roy load a load of Straw we drew out some manure I went over & helped Mr Lemons split wood

18 It was quite cool we went back to the other place and brought the ploughs out

SATURDAY 20 (80-286)

It snowed a little through the night and morning we drew some manure and I went back to Mr Cater and brought out his scales

19 It was frozen in the morning Jack & I took Fred out his colts & pig Laura came back with me we went over to Mr Wilson in the evening.
