

August, 1928.

15 Wednesday. Hot day.

The men were stooking this morning and Walter was cutting this p.m.

Marjorie and Hilda Hoffman spent the day here. Our company tonight - Mr. & Mrs. Jim Weaver, Mr. & Mrs. Louis Miller and Edna Miller.

16 Thursday. Hot. Walter went to

Elmira this morning and was cutting grain this p.m. Vernon was stooking.

17 Friday Another hot day.

The men were cutting grain & stooking. Orpha & Margaret Miller called on Ella this afternoon.

18 Saturday. Cool and rather cloudy

day. Walter was cutting barley and Vernon stoked.

19 Sunday. Lovely cool day.

We went to church & S. School this morning and visited at Geo. Bolander's today and stayed for dinner and supper (of course!)
