

Jan 9th - A little frost
but thawing again all
day. Brown pruning
nearly done -

Jan 10th - Sunday. Very mild
ground very soft.
so much rain

Jan 11th - weather still like
spring. reports say
peach buds also Straw-
berries will be damaged
by the mild weather.

Jan 12 Don's sick since the
New Year with Bronchitis
Alan home this week
getting whooping cough
we think. suppose
they will be home for
a few weeks

Jan 13th - mild. but strong
south west gales blowing
Brown finished work
Saturday. every thing
done only a little
brush to draw but
ground too soft to
do it.

Jan 14th went to Kitchener
for a load of Orange
crates got 207 at 54
each. a real summer
day. the warmest Jan
14th in 50 years the
papers say.

Jan 15th Charlotte now home
from school too. Rained
heavy in the night some
thunder + lightning
