32 TO COME

Oct. 29, 1906.

Dr. S. B. Leslie, Okmuggee, Ind. Ter., says:

"I received the sample of Pepto-Mangan (Gude) and used it in a case of anemia with success. I have used it before in similar cases with good results. Hence I cheerfully recommend this preparation to the medical profession."

Rained last night & all day. Mr & Mrs Thompson went down to Frank Richmans to day. Mr boy was over. John was over there & they cleaned wheat to take to mill. Got a letter from Frankie & she sent the children's pictures. Mrs Clarence went with Maude to Aylmer this morning & her mother is so bad that she didn't come home & -
