

1874
Mr James Cameron Island Dec 22
East Wind I thought the ice was taken and
crossed to Hamiltons I had told me where
it had not taken at 12 o'clock
Last night and its open all above that
ice very thin my Road across is very crooked in the air holes
took James at Hamiltons Mustardy Flour Door Lot Went to Little Island North Side got 1 Seal 3
lots a Piece of Tobacco from John 23rd Beg or Crossing Summers Road water raising some close to
to thaw some to night the ice dont look any too shore Drew 3 Loads of Marsh hay from the stack in
Good I crossed but its very bad went to the Upper Field kind of soft to Hay 2nd Drew the rest of the
Hay 10 loads Bought on Credit from J & L. Stack to Day commenced to snow East and North Wind put
of Sea 30 cents) Bought and Paid for 2 Hanksy some in the Barn and some in the Stable Loft put the rest in the stack
Black Thread 2 pack of matches 5 lb Soda Paul the 13th and the Barn 3rd Allows Birth Day a Fine Day 4th To
lot of papers from Dan got 2 papers from the 13th Day is Election Day for Councillors in Williamstown. Mr
John Hamilton Killing his Hogs Frank Sept William and God trying for the first time did
not let in went to the P.B. Bought a Darnum
lot some Buckwheat from John and 4 from Charlie (Rose 12 lb of Pork Flour 25 lb
Dried his Flour with me as there was none at the Store the Ice came back I travelled Drawing this Fine Hay Stack sent him the
very Bad I spent this evening 1st But such Anger Cutting Drawing Wood 6th Epiphany
24th Drawing Drags the Ice all began to drop to John Hamilton got the Gazette of Dec 18th
Jamming going down Christmas Eve sat with a Big Lie in it about the Dec 18th in
a good while to night seen a Fire in the chimney Round a very Big Lie for Mr Leslie to
be a chimney at the Depot or in a road to the in to a Paper Note from Dan Cameron, Break
on Fire & freezing some to night seen the 4th of the 1st First Crossing of Horses at Summers 7th St
to night the Eagle on the Tree on the Pitt Point Lighthouse 8th St
the Cattle a Christmas Eve Supper this evening 9th St
Feeding Reddy Betty well 23rd Christmas Eve
10th of Friday Pleasant but cold Wind West went down on the Ice cut over to Christie then came
the Lower Point keeping this day as sundry ice going
down some the River open 26th St Stephens Day
Chopping at the Door 27th Went to the Surgeon Island went
in the canoe ice jammed up to the Surgeon Island went to
Ritt Point 28th Killed the Bull Reddy Raining
29th Cutting up the Beef 3/4 Weighed 228 lb 1 lb in the mud wheel
put the Boat up high in the Barn as the cows broke out some on the
Barn floor

1875
Mr James Cameron Island Dec 30 1874 Island January 13th
Putting in the Marsh hay stack at the Back of the St. George's Mission
Barn cold North Wind high Freeze very hard the ice all in a thin
to night and its freezing very hard to night 31st Freezing hard
all Day to Day to night is New Years Eve the 1st of January 1875 Fishing 8 lb before the
1st of January 1875 Crossing Summers Road water raising some close to
Drew 3 Loads of Marsh hay from the stack in
the Upper Field kind of soft to Hay 2nd Drew the rest of the
Stack to Day commenced to snow East and North Wind put
some in the Barn and some in the Stable Loft put the rest in the stack
3rd Allows Birth Day a Fine Day 4th To
