317 DAYS PAST

48 TO COME

"He Gets the Results."

A Kentucky doctor writes: "I heartily agree with you that an iron need is a vital need. I invariably prescribe Pepto-Mangan (Gude) and get the results; a whole lot of satisfaction in knowing that you get the results."

Weather

Temp.

Had a terrible storm this morning struck two telephone poles between sheds & here, burnt one & melted the wires; Eugene came this morning and helped John plough, Clarence helped this afternoon
