May 1

James saw some small reptiles in the brush with Carter
Raid west of the station and I looked in the field

2 Dan showed where he left off below the new Barn
to go to the garden and went to the post office

the smoke coming out of Robert Corbett's house along
with J. T. Bradley we gave the downy got pails & poured
on water all to no use it burned he lost most of his
things there was a general burn out every one did

the room
was a little
from the
west so strong
but the fire
was there

the best Darlings Stone caught fire & was burnt
down they saved Dan's Shop and house which was
between Darlings Stone and Corbett's house Darling got
out all his wares out but they were damaged

on 2 that 3
was seen a
number
3 days
