Mr James Cameron Island 17th of April 1872
Went to the Bush Gordon and I cutting Some
Wood for William a Great sap Day Sugared
the Holes full and 3 pans full kind of soft took
the tub to the Bush set fires on the Hill Burnt
Killed the First snake I seen and Burnt
him in the fire the Sheep started to the
Bush got them turned Back Before
they Got the taste of the sap ice not open
on the South side of the Island yet a
Fine Day 18th Our Duncans Birth Day
putting out Fires heard the First Frogs singing
set Fires in the upper Feild 15th Weighed the Sugar
178 lbs owe them 3 lbs on the Weight about 60 lbs
Sugared off to Day Quirking about Set Fires on the
North side of the Sugar Bush William and his Wife
croped to night heard Jimmy Jim Purcell Departed
some time about monday Last Henery and Lewis Henerys
Boy Boiled all night to night in the Bush Sap
Ran Well to Day Drawing some of the Square Sticks
around the Garden Head Pete Grant was working
at Hamiltons Sheds Framing 20th a Fortunate Day
in the Bush all Day made about 5 Gallons of Syrup
for our share Sugared off about 45 lbs of Sugar East
Wind Dont run very well to Day the sap Great Fires in
the Marshes Killing a Great many Snakes to Day
Gordon and Williams Boys Richard Henery and Lewy Basil
Freezing some to night a Great Deal of Shooting now at Ducks
and Muskrats
