## The Natural Color of Good Health

is absent in the case of the chlor-anemic patient; the cheeks, lips and conjunctivae are devoid of the normal blood tint, and the feeling of "well being" is absent. **Pepto-Mangan (Gude)** promptly and efficiently raises the color index of the blood, dissipates the sickly, greenish pallor of the complexion and imparts a general feeling of "well being."

Weather

Temp.

Cold in the morning,  
 but warmer in the afternoon.  
 Maudie, Mella & myself went  
 out to Eugene's & we fished  
 all day. Caught fifty.  
 Eugene was not very  
 well, had a sore throat!  
 John & Joe were home  
 only John went to Kings  
 Mill for Chopp Bill's  
 Polley Dell & Billy's
