

planted them in August
the man across the road
wasnt near as good he
did not plant until
October. says they pick
until May and should
get 9000 qts per acre.
Went on to Lake Apopka
they have boats to rent
there for fishing also
Saw acres & acres of
Lettuce & Cabbage. Cabbage
just about ready to cut.
Nov 10th. Had two callers
today in the morning
a Mr Potter from Freeman
called. I wasnt home
think he must be from
Potter's son. and in the
afternoon W. E. Emory
who is in Lakeland
called. for a few minutes

Harry
Dec 11th. Mr Potter called
again. I cannot place
him but he went to
school same time as
I did & knows everybody
around Burlington.
he has only one arm
his left one, and drives
a Packard car. says he
has had it 8 years &
drove his over 132 000
miles. he has sold his
business & retired &
comes down here every
winter for his health.
went to Sanford today
Saw the River St Johns
& the pier. also a
Zoo with a few birds
& animals in it. ^{more} showers

Dec 12th Drove out to Winter
Park & saw the Brewer
place.
