

Joe's time was  
 out last night  
 but today he  
 has continued to  
 work for fifty cents.  
 I went down to  
 James Holcomb's after  
 wheat that he owed  
 me this forenoon.  
 Look it up to Simeon  
 this afternoon &  
 left at Suttles  
 mill brought some  
 some flour from  
 it though. Look  
 it down to James  
 Holcomb, she having  
 completed her visit  
 it with us for  
 the present. Have  
 promised to go  
 down to Palham  
 on Saturday next  
 & to take her with us.

Lewis has been  
 ploughing in the  
 ten-acre field today  
 for the first. Joe  
 is gone so we are  
 all alone.

Went up to Simeon  
 this forenoon to see  
 about getting money  
 for Joe. Look it  
 up this evening.  
 Had dinner with  
 Thomas H. Nelles to  
 day & family. His  
 wife is quite an  
 interesting lady.  
 Saw her that day  
 to see Miss Nelles  
 when I was at  
 the college in Co-  
 burg. She has  
 greatly changed  
 since then how  
 ever.
