110 DAYS PAST

Saturday

256 TO COME

Rectal Fistula.

Rawson Pennington recognizes only three alternatives in the treatment of this condition, viz., simple incision, the injection of bismuth paste, and incision or excision with immediate suture. Suturing should be done by Lembertizing the incision from its termination in the rectum to the anus.—

Exch.

Weather

Time

Temp.

Scraped the roads. Girls
went to Ayler after dinner
Maudie got a new hat.
John went this morning
got his new harness, bells,
John went to the factory
with Guy to night, but
lost his was over to night
