The Balance of Force and Energy

must be increased if a blood stream of structural integrity is to be maintained. Pepto-Mangan (Gude) enables a physiologic balance to be struck, by furnishing the essential ferric and manganic elements in all conditions of vital under-capitalization.

Weather

A warm day

Temp.

Maudie took Mella & brought the piano tuner home with her. Now she & Heaton have gone to take him to Aymer. Pa went to Kingmill for salt, a barrel. Maudie wore her new coat for the first.
