

Friday June 4th Still quite cool but getting warmer
outside - fire in fireplace - more to do -
Practised about 1/2 an hour in the
evening. Duncan came up & took
the flag down and shot five blackbirds
and hit two others - Mr. Caldwell went
to Walkerton in the afternoon to see Mr.
Caldwell so had to go down to help
Charles at the office. Put away flags.
After tea I went over to call on
Miss Annie Bidne. She was
sitting up in a chair but looked
pretty sick. She had been down
stairs for the 3rd of June and got
quite tired out.

Saturday June 5th Did some letters etc. for Charles.
Went down town (got orders ready)
to Banks with s. s. money and
ordered supplies for next 3 months.
Wrote account of June 3rd ^{Regde} for
Enterprise (Both Mr. McDonald and
Mr. Nolan away on Pres Excursion)
and took it down. After dinner
went down for some hours to make
lunch for Charles who goes to
