307 DAYS PAST

59 TO COME

Distinctly Dependable.

Both blood count and hemoglobin estimation show that **Pepto-Mangan (Gude)** is always equal to the emergency when given regularly for its hematinic effect. It can, therefore, be depended upon to overcome blood poverty in any condition in which serious organic complications do not preclude the possibility of improvement or recovery.

Weather

Temp.

A fine day but a high wind to night. Had a red cross meeting at the high school made 90 dollars & thirty cents. Girls drove to school. Mr Baker brought the tax slip. I have been working on my coat all the time I had John play Ted all day
