171 DAYS PAST

195 TO COME

The Hum-Drum City Life

of those whose days are spent indoors, in store, school or office, is bound to leave its traces upon the individual so situated. While **Pepto-Mangan (Gude)** cannot remedy the cause of the general devitalization, it aids in overcoming the anemia and assists materially in increasing the appetite, spirits, and general well-being. As it is non-irritant and non-astringent, it does not impair the digestion nor cause constipation.

Weather

Temp.

Very heavy fog last night. Raining looking all day, & cold towards night. Maudie took Mella & Garden & Mr went for her. I made Maudie's old light blue skirt over to night. Mr Lopez & John went down and planted corn to night. Seed was over Isaiah 13
