

Ther.

MON. OCT. 24, 1898

Wea.

I rose early this morning and made a fire and prepared breakfast. I went over to Georges after breakfast to help at the threshing.

It was a dull morning but turned out fine Mrs Simubeer came home from Garoulo this morning Jancie had to stay home to help at the barn.

Ther.

TUESDAY 25

Wea.

I rose and attended to the house work, and got the boys off to school I thimmed the rest of the raspberries in forenoon after dinner I went to the garden and planted some onions for spring use as we like them early
