

July ^{the} 10 1903

- 10 I cut grass for Rube and cut the weeds along the road and helped put the binder up and went to bed and
- 11 We hewed beets and I went up to Dad's Squiers and got my red pig and we fixed the fence along the west line Gordia and Pinch was down to night
- 12 I plowed corn it rained Gordia cut wheat and Roscoe helped him
- 13 I plowed corn and took the lumber to the bush for the shanty Elia Scratch was up to day
- 14 I went and cut 14 mumps wheat and eight dollars for it
- 15 I plowed corn and we are a going to Obery to night I got my hat on ready to go so good by

July ^{the} 16 1903

- 16 I plowed corn in the morning and we helped Gordia draw his wheat to day
- 17 Budry and I went to Harrow in the after noon we had a big rain last night the wind blew the oats and corn down
- 18 We plaid in the forenoon and went up to Obery to church in the afternoon
- 20 I hoed in the garden and went to town it rained all afternoon
- 21 I put the rake away and took the rack of the wagon and maid a single tree and went down to Roseves and did some work in the barn and went over to Ruls and went and got the horses ready for morning and I gess that is all
- 22 We went and got my logs cut Toms and Dadrys were down to day
