20 Thursday. Lovely day. Walter helped to thresh at Otto Miller's until 10.30. This p.m. Walter & Vernon were both helping at Elmo King's. Vernon, Willard & Mildred went to Floradale and Elmira this morning. Ella, Mabel & Mildred spent the afternoon at Enoch Schneider's and had supper there.

21 Friday. Perfect day. Vernon helped to thresh at Elmo King's this forenoon and this afternoon the three men helped at Noah Miller's. The ladies did the milking and Miss Mabel Metz, stenographer and lady of fashion milked 3 cows. Three cheers for Mabel! Walter spent the forenoon in Creekbank and Willard was rolling.
