

April 2nd Fine & warm unloading
another car of manure.
very muddy got stuck
with the truck.

April 3rd another light thunder
shower this morning. Still
going to see about my eyes
to Dr McFarlane seem a little
better today. Charlotte sick
since Sat with tonsillitis.

April 4th Fine & warm
transplanting peppers etc

April 5th. Fine & very warm
finished transplanting.

75 in the shade was hot
as summer. ²⁰⁰ Blackberry plants
(muscadine) arrived. Root
cuttings they are very small
but look like good
roots.

April 6th. Good Friday very
warm 75 spitting in
tile at back of Johns.
John ploughing for
blackberries.

April 7th. Planted Blackberries
in the morning. raining
after dinner & getting
cooler tonight.

April 8th Easter Sunday
like winter again
very heavy gale from
the West. with snow
flurries. Temperature
below 30 all day.

April 9th. drawing manure
& fixing drains still
cold thermometer 24 at
7am this morning and
just as cold tonight.
