

on the afternoon it blew & snowed something,  
terrible Paul had the cows out so late & they  
was out in it. Arthur was ploughing on the  
pasture field. I put a pot of lard on the  
stove & sausage meat; got terrible cold at  
night. Like winter they put the heifers on the  
barn stall. Will Wells beef had a youngster on  
the night of Dec 14. - Birdie Wells & Murrays birthday  
I churned & worked the butter, cooked pumpkin  
& made three pies & scraped the euterals & every day  
since they lathered. Marjorie working at her fackel  
& yesterday she swept Miss Gays room & dusted the  
front room. at night - Hattie & Arthur came  
over & helped to make sausage & we made a lot  
it was after 12 before we got through a very cold  
night & cold north west wind all day Will &  
Arthur went to Chippawa Arthur got his boots  
Hattie polished the coal stove. They got it up  
Hattie has two of her little chicks yel & daughter had a  
dead 15 looked terrible black when started out over  
the ground was covered on a little while got  
warmer toward night thawed when I was going  
down he swept & dusted. got the sweeping done  
Marjorie blacked the stove & I blacked the pipes  
Paul & I finished stuffing the sausage by the  
old stuffer. Marjorie got the meals  
Thurs 16. a little warmer dull most of the day  
some sunshine, wind cold & chilly, the young  
turkey sick. I washed all the greas & things from

sausage things. & we washed such a lot of other  
things & the churn made tart for supper Marjorie  
working at her fackel. Arthur ploughing. The P  
washing the cows. after he gave a lot of lard he <sup>put</sup> ~~took~~  
up manure & sods in bank the west side of the house  
Beets had two little hills at night or on the evening  
the out & did not bother again. out a cold night.  
Friday 17 I churned the first thing I would  
could not churn on account of making tart  
for supper glem fatty with raisins. Marjorie  
took her dinner down Paul gave <sup>me</sup> ~~the~~ cow  
& had her work the butter he send down 8<sup>3</sup>/<sub>4</sub>  
@ 24. 210. 25. brown sugar 12<sup>th</sup> Dec 13. Groulery  
food 25; cattle food 25 for Arthur butlers & canvas  
her fackel. 19. 67. bread 6.42 on the book.  
The leacher went down with her work terrible  
had Georges cart after dark when she got  
home. Paul went down & swept & dusted the  
school house. I had to salt some meat left  
fresh wash dishes & the churn & eat squash &  
could not wash out some things I wanted to  
Sat-18. Paul did not want to take the cows out but  
it was not frozen up so we made him go in the  
afternoon he drew a barrel of water & some  
rails. Marjorie swept the kitchen & washed the  
towel & worked on her fackel sleeves. out  
cold until dark. Arthur ploughed all day  
& took the meat out of the barrel & brought it  
around in the kitchen & salted it over boiled
