Burgoyne Jan. 18 ~~Thurs~~ - 5° Below this morning. 11° Below zero to-night. Bright befor {before} dinner dull after, cold. Papa and Mamma were in town, Noble was at Paisley for chop and Rowand was at the bush after dinner . He was at Geddes's in the morning with their grain-bags. Papa and Mamma were only in in the afternoon. I was at Uncle Alfred's for a little bit. Mrs Buyer's and Isabel came home today. Noble is hard up with the cold to-night.

Sat. 19 - 39° Below zero to-night. 9° Below his morning. It has risen to zero to-night. Cold S. wind changing to North. Dull the most of the day. R {Rowand} & Papa were in town. N. {Noble} was doing chores & odd jobs. We were baking pies, cakes & scrubbing. Agnes was here.

Sun. 20 - zero before breakfast. Stormy.

Jan.

sometimes. Cold. I was at church in the morning. Uncle A. {Alfred}, Arthur and Edgar were here. Papa was not very well. He felt like taking a fainting spell. Rowand has had a cold for a while and is worse now.

Mon. 21 - Not as cold. 8° This morning. Dull & smoky. Snowing a little. The boys were working at the bush before dinner. They brought home a load of logs from the bush after dinner. M & P & the boys have colds. Arthur was here plowing. I am getting better of my cold. P was doing office w. {work}, chores etc. M & I were sewing & mending.

Tue. 22 - About 6° after breakfast. Bright for a while in the morning Started to snow before dinner & snowed all afternoon. P & M. were in town & N took a load of logs

in R. has a bad cold. He was at Uncle A's & Arthur was here phoning. Gordon Hepner hung himself in his father's cellar in Port Elgin. His father found him last night.

Wed. 23 - 14° in the morning. Snowing through last night and all morning and part of afternoon. Calm. The boys are both hard up with colds. M. & I were baking bread. Agnes was here visiting U. A. was here for some saltpeter for a sick horse. I was at U. A's. Clear & 2° Below zero to-night.

Thurs. 24- Snowing quite a bit of the day. Not very cold. Moon is shining to-night. 18° in the middle of the afternoon. Johnny McIntosh was here in the afternoon. Uncle A. and Arthur were here. The boys were helping Papa & bagging up grain. M. & I were churning.

Jan.

They have all got colds. P & M. are not coughing very much. M. has rheumatism just now and is not well other ways.

Fri. 25 Snowing quite a bit to-day. Wind in S. turned to W. Stormy some of afternoon and to-night. Mild in the Western Canada. N, R & Edgar were trying to chop but could not get the engine to work. U. A. got the "Bell" telephone put into their hosue to-day. R & I were at the store. M. is not very well. She & I were sweeping & dusting.

Sat. 26 - 12° Below zero this morning, 11° Below to-night. Bright & frosty cold wind. P & R. were in town. The roads weare pretty heavy in the morning, N. was cleaning pig-pens & helping Edgar to try to chop but they did not get any done. M & I were baking ~~pies & cakes~~ pies & cakes & scrubbing & cleaning the stove. The Patriotism Society gave a concert last night at Burgoyne. They made about \$30 clear. Agnes was here.

Sun. 27 - 30° Below zero. Bright. P. M & I were at church in the morning. U. A. was here. N is not very well to-night.

Mon. 28 - 4° Below zero this morning. A cold N. E. wind changing to E. till sometime in the afternoon when the storm stopped though the snow fell. M. is not well. The boys were sawing wood in the woodshed. M. & I were sewing & mending. R. is at Mrs. McAndrew's to-night to practice for the Literary meeting.

Tue. 29 - Cold. N.W. wind. Went down sometime in afternoon. 2° This morning. Clear to-night. Bright some of the day. The boys were at the bush. Papa did a little carpentering etc. We were sewing and mending and melting snow. The barn cistern is getting dry & the creek is nearly all frozen up so the cattle were at Uncle A's. Uncle A. was here.

Wed. 30 - 18° Degrees below zero this morning. Bright & nice though a cold wind though not very much of it. P & R. were in town. Noble took the pigs in in

Jan. & Feb.

the afternoon. He got \$ 17,50 per. Cwt. for them. There were 5 of them averaging 200 lbs. a piece. Uncle A. helped N. to load them. Aunt Lizzie was here in the afternoon. R. & I were at the Literary meeting at night. M. & I were washing, baking bread and scrubbing.

Thur. 31 - 2° Below 0 this morning, 12° Below to-night. Bright-and a little warmer than yesterday. N. took grain to P.E. {Port Elgin} for making into chop. He got flour "5 Jewels" at \$6,20 per cwt. 100 "Pastry" at \$5,60 per cwt. He got feed flour, bran & chop too. He was at the bush, after dinner and brought home a load of logs. He and R. were cutting wood. M & I were washing & ironing a little.

Fri. Feb. 1 - 24° Below 0 this morning. Bright, some of the time at any rate. Cold W. wind. The boys were at the bush. M & I were doing sweeping & dusting & baking. ~~& dusting~~ I cleaned some of the hen-house.

Sat. 2 - 2°, Down to zero before breakfast. P. & R. were in town. Roads better for going in than usual. N. took logs in in the afternoon. We were baking cakes, scrubbing & dusting.

Sun. 3 - About 14° after 8 o'clock. Blue-looking around the bush in the morning. Got stormy. Not very stormy but kind of pretty stormy. I was at church in the morning. Papa was dizzy in the morning and M.'s back was sore.

Mon. 4 - 19° Below zero this morning. 6° Below on Uncle A's thermometer at noon. 14° Below on ours to-night. Our thermometer we think registers too low. A very cold West wind. R & N. were at the bush. R. got a piece of his ear frozen at noon. They both got their noses frozen to-night when they were coming across the field at the bush. R. has got spots of his face and one ear frozen before this time this Winter. The mail-man did not come around. The train did not come from any further than Palmerston.

Feb.

The wind is high to-night. There is a shower being giving to {Maidie?} Gowanlock to-night. M. was not feeling well this morning. This mail-man missed {crossed out} sometime before.

Tues. 5 - 38° Below zero this morning. Bright. The boys did not go to the bush. Oliver Geddes was here. He, N. & R. were at Uncle Alfred's. N. was there in the forenoon too. O. & F. Geddes got their noses frozen on the 4th and so did Agnes. M & I were baking bread.

Wed. 6 - 8°. This morning. A good bit milder. 13° At night. Snowed some last night ~~an~~ and drifted. N. took the sleigh to town after dinner. His chop was not done but he got feed at McGillivery's and Papa's papers. We cleaned the hall stove-pipes & We churned. Dull part of the day. The boys had to shovell the snow out of the lane gate.

Thur. 7 - Below this morning. Cold wind. Bright & frosty. 11° at night. N. & R. got the logs from the bush to take to town. N. took them in after dinner. R. & E. were

chopping after dinner. M. & P. were at Geddes's for tea. We were washing & scrubbing. Mr. Schwass and Ed, Sam & John were here to see Papa at night.

Sun (Thur. crossed out) 17 - Bright. P. R & I were at church in the morning. Edgar was here.

Mon. 18 - Bright & mild. 21° This morning & 40° in the shade to-day. The boys took the rest of the wood to the {crossed out} church. N. was throwing wood into the wood-shed etc. They brought home a load of poles from the bush. P. was at the bush & felt like taking a fainting-spell. M. & I were washing. I was at Uncle A's & R. & E are away to Geddes's to-night. Edith Buyers is at Uncle Al's just now.

Tue. 19 - Bright & nice all day.

Mar.

Thawing a lot. P. & M. went to town. N. took 1 1/2 cords of 14 in. wood to Miss Geddes & brought out the rest of the shingles. R. was getting ready to tap this morning. They tapped after dinner & brought home 2 loads of poles. I went to a United Prayer meeting at Burgoyne church. Rev. Messrs S. Strachan, Mann, {Gishler?}, Buckborough, Leger, Hallman, McDougall & Scanlon & Mr. Sagles & A. F. George & Uncle Gilbert (who was chairman) took part.

Wed. 20 - Very warm. Bright. 52° This afternoon in the shade. The boys were cleaning grain before dinner & were at the bush after dinner sawing & brought home the sap. There was not very much. Some of the trees did not run. They had to get across the creek at the bridge on the fence. M & I were ironing, churning & scrubbing. H. Crowe & B. Hanbidge

were here to see the cattle. Thawing a lot.

Fri 22 - Bright with a cold wind though it was not very high. 27° This morning. Thawing. The ice on the river is broken up. The boys got the sap from the bush. There was only a little bit. They were cleaning grain. I was sweeping. P. & M. went to town. I was at Geddes's & Alice was here.

Thur. 21 - Bright and thawing. A frost last night though not as low hard as Fri. morning. The boys were cleaning grain & helping U. A's to saw wood with the engine & getting the sap. Less sap than yesterday. Al Eaton was here and bought the heifer with the queer horns. It was 2 yrs. old last summer. We are to get 9 1/2 cts a lb. for it. Agnes were here & P. was at U. A's.

Mar.

Sat. 23 - 17° or 18° This morning. Bright with a cold wind. Colder than yesterday. Not thawing in the shade. The boys finished cleaning the grain this morning & took some for chopping to U. A's. They were working at the poles this afternoon. Did not get much sap to-day.

Sun. 24 - Bright, warmer than yesterday. P., M., & I were at church in the morning. P. was at U. A's. U. S. has a cold.

Mon. 25 - 22° This morning. A very cold W. wind. Snowed some near night. The boys made chop & porridge meal, split wood & gathered the sap. They got 5 pails-full of sap. M. & I washed. Uncle Sandy was at the door and Papa had 2 other men to see him. Isabel was here at night.

Tue. 26 - 11° This morning. A little snow fell. It all melted. P. & R. went to town

& N. went to the store & Andrew Carr's. He bought a white sow from him for \$55 & bu.{bushel} of turnips at 10 c per bu. & bu. of mangles at 15 per. bu. N. was working at the wood. M. & I were ironing & baking bread. Agnes was here.

Wed. 27 - Bright with a cold wind. 16° This morning. The boys brought home the pig & the roots. After dinner they helped Ar. & E. to extend the bridge, split wood etc. A man was here to see the cattle. Papa had a client here. Agnes was here to-night. M. & I scrubbed & finished the syrup. We got 2 qts. {quarts}

Thur. 28 - Bright and rather cold. 11° This morning. The boys were bringing home poles. P. & M. were at Geddes's for tea. Alice was here to-night. Ar. & E. were at the stable. Clem Morton died at Southhampton Mar. 24.

Fri.29 - Bright, cold wind, air

Mar. & A. {April}

warmer than yesterday. A circle round the sun. The boys brought home the rest of the poles ~~home~~ and the most of the afternoon R. helped U A's to finish theirs. Ed went to Tara and met Mr. Sharpe and brought him {home crossed out} back with him. M. & P. took the heifer to A. Eaton. She weighed 660 lbs. M. & I were sweeping dusting & ~~scrubbing~~ churning. This is Good Friday.

Sat 30. Misty at first & dull part of the time afterwards. Warmer than Fri. P. & R. went to town. N & I got over 4 pails of sap in the morning & some wood from the bush. N. Helped E. to take away the piece that they put to the bridge & he took the horses to this side of the bridge & brought the sap across to it this afternoon. He got 4 pails. I was at U. A's. M & I were scrubbing dusting & baking cakes & a little bread. ~~I was at U. A's~~

Sun. 31 - Warm & bright. Roads are

getting dry in some places. We were all at church in the morning but Noble. R. was there at night. U. Alfred & Mr. Sharpe were here for tea. Agnes was here but not for tea. A thunderstorm at night. Hail and rain.

Mon. April 1 - Bright part of the day. A cool wind but warm air like Spring. Misty at first. Mist or drizzle to-night. O. & A Geddes were here to-night. Jessie & Alice were here to-day. Mr. Sharpe went away to-day. The boys were splitting wood. They got a little over a churn barrel-full of sap.

Tus. 2 - Bright. Turned colder throughout the day than it was at first. Misty at first. P & I were in town. R & N. were helping Uncle A's to saw poles. Mamma was boiling sap. Robbie G. was here in the afternoon.

A. {April} 1st - M. was boiling sap. Agnes got into the creek on Saturday when she was crossing it on some rails. She had her feet on the under ice. Edgar lifted her ~~get~~ out.

Wed. 3 - A very cold wind in the morning. Wind changed & got some warmer before

April

noon. 18 {degrees symbol} This morning. M. & P. {Mamma & Papa} were in town. N. {Noble} took the team to town this morning & got some chop made & brought the harrows, coal-oil, Keith's seed etc. home. N & R. {Noble & Rowand} with Uncle A's boys were sawing wood with the buzz-saw after dinner. Ar {Arthur} & E. {Edgar} were here for tea. Alice & J. McLean were here for a few minutes. R. {Rowand} is away to the Literary meeting & N. to Burgoyne to-night.

Thur. 4 - A cold wind & bright. A hard frost last night. Ar. Ed. & our boys finished sawing the wood about 6 o'clock. They started before nine & were off some time at noon and a little other times. M & I churned, baked bread & ironed. P & M & I carried 4 pails of sap home from the bush. We did not get all of it.

Fri. 5 - A cold wind & bright. N & R. drew 3 loads of manure to the ~~bush~~ field & sawed wood at the bush this afternoon. M & I swept

& dusted. We fried some pork & put it into a crock. I was at U 'A's {Uncle Alfred's} sugar bush & Alice was here for tea & Agnes came up after tea. A man was here on business.

Sat. 6 - Bright & warmer. A S. wind got up. It was pretty high. P & R were in town. N. {Noble} was away at the bush for sap. He got the churn full & got some wood. He ploughed some of the afternoon & got about 3 pails of sap. We were baking, scrubbing & fring {frying?} pork. We filled a

15lb crock with sides & shoulder. The side of the last pig & the shoulder of the first pig. I was at U. A's {Uncle Alfred's} sugar bush.

Sun. 7 - Bright some & kind of cold. Wind pretty cold. P. {Papa} & I were at church in the morning. Ar. & E. {Arthur & Edgar} were visiting the boys at the barn. S. Schwass was at the door. Dull & like rain. Turned colder. A few drops of rain fell.

Mon. 8 - Dull & turned pretty cold, freying {frying}.

April

A little snow fell. N. {Noble} has had a sore side at the ribs for about a week. It hurts when he takes a deep breath & when he jerks certain ways. He was at the Doctor to-day: He said it was in the nerves that the trouble was. It was caused by getting wet. He gave him pills & told him to wear a bandage. N & R. {Noble & Rowand} took 3 white pigs to town after dinner. They averaged 200 lbs a piece. They got \$19.25 per {illegible?} for them.
