as a blood-builder, a regenerator, a tissue-builder, and an invigorator is well-known to the medical profession. Clinical tests in private practice and in leading hospitals throughout the world have demonstrated its efficacy. Careful investigation is invited. Samples sent free upon request. Prescribe in original bottles and avoid substitution.

A fine sunny day, but very muddy. Maudie went & got Miss Allen, & Miss B. Green for dinner & tea then she took them home, we sugared off for them John went to Ayler before dinner & didn't get home until tea time. There was enough to snow out by the Parlor bedroom window to make the taffy on Maria's //
