

Ther.

FRI. MAY 13, 1898

Wea.

I made the fire and got breakfast ready, after breakfast I went again at the white washing, I did the stoop and the outside of the cookhouse, It is very white, Mr Caesar came today, to see how the horses leg is doing. I gave him some flannel soaks

Ther.

SATURDAY 14

Wea.

James went up home tonight I got up and made the fire, and attended to the bread, I baked in the forenoon, Sam Graydon came after <sup>dinner</sup> he is going to build the stone work of A. Clarke's barn, his brother Willie is going up with him today, as he has got a job in a store up there, we planted

of James's potatoes
