

Ther.

SUN. MAY 15, 1898

Wea.

It is cloudy this morning but there is no rain, it turned out fine George and I went to Church he drove Crown single Mr Nixon preached his text was in Mark XIII and 33, and 36 we had fine sermon on character

Ther.

MONDAY 16

Wea.

James came down today I rose this morning and prepared the breakfast I kept Lencie home to help me plant potatoes, we were busy all day. we have to wheel the manure to put under them, we planted potatoes and corn and melons and cucumbers we had a hard days work
