Friday 6

Loovely & warm. Melba & I went to Au
Appleford's & took some things over for
the funeral. Harry came down this
afternoon, & is staying all night.
Asmond came after dinner & took
Maudie down to Mrs Yellands, they
brought Clarence home, a corpse
Maudie went from there down to
Asmonds, for tea. When they came
home at night, they got stuck
in the mud this side the rail
road track, I had tried to pull
them out but couldn't with one
horse, Albert's was away. Asmond
walked up, & got John & old Mike
he took them through. Harry
& Melba went down with them
