327 DAYS PAST

38 TO COME

Quick Improvement.

The house physician of a large general hospital in Paterson, N. J. writes: "I am employing **Pepto-Mangan (Gude)** in suitable cases and it is surprising to note the quick improvement under its administration. I cannot speak too highly of it as a ferruginous tonic."

Weather

Temp.

Cold & windy
Joe & I washed. John
went to Eugene. Sewed
& made Mollie a new silk,
waist & skirt out of an
old one. John went
to Aylmer first &
got more lumber to
his Eugene shed. Mrs
Maude Thompson was
Billy & to A. Thomas

over Sunday
