

June 5th 1893
 Tue. 16 Another beautiful day
 Cool and pleasant
 Wed. 17 Local and warm to
 day, not much change
 in temperature
 Thur. 18 Beautiful day and day
 of content
 Fri. 19 Considerable warmer
 today than usual.
 Sat. 20 Another hot and close
 day, I have off Barnes and
 myself here at the office
 tonight, making out
 the monthly dividend
 to the patrons. My allowance
 was \$90.75 for the month
 of May. Issued the new bill with checks
 Sun. 21 Raining this morning, and
 kept it up gently all day
 no Sunday School today, and
 did not go to church

June 11th 1893
 Mon. 12 Beautiful today and very
 pleasant, secured 4385^{lb} milk
 and made 9 Cheese
 Tue. 13 Fine and cool this forenoon
 but very hot in the afternoon
 Thermometer 83 in the shade
 Wed. 14 Very hot today, 98° out doors
 Milk very gassy these days
 Thur. 15 Another hot day, some drops of
 rain come, but apparently heavy
 showers passed south, lightning
 at night but no rain
 Fri. 16 Hot again today, with the
 appearance of a long continued
 spell.
 Sat. 17 Still another hot day, Ther-
 merating between 90°-100°
 Sun. 18 went to the City of Kingston to-
 night with Billy Clark we
 had a lovely drive
