

December

MONDAY, 5

(340-26)

1904

Sent McCallan 2 bbls Alexanders at 75, & 1 rooster at 1⁰⁰

TUESDAY, 6

(341-25)

Settled cattle up today, all looking well, calves a little thin.

A big lynx went north into Greenlee Sect. this morning. I went in with Rattler & put it out to Bert Davis, who shot it at the runway between the 2 swamps.

WEDNESDAY, 7

(342-24)

Have to water most of cattle at water holes near Jordan Creek as well below barn holds enough for 10 head only. Water horses at house.

Nailed up silo. Altered 1 G. calf & 3 boar pigs. Changed 3 calves into new stable on cement.
