337 DAYS PAST

28 TO COME

For the Doctor Himself.

A physician practicing in a New Jersey city writes: "I am well aware of the excellent recuperative power of Pepto-Mangan (Gude) and as I am just recovering from a lingering illness, I should thank you for a supply of some for my personal use. I have prescribed Pepto-Mangan (Gude) in hundreds of cases with the best of results."

Weather

Fine day

Temp.

John & I went to Arthur  
Giles got a bolt of cotton &  
one of awt<sup>r</sup>ing flannel white  
Giles to school. Leyla Tisdal  
came home with them &  
stayed all night. Joe  
had dinner all ready  
when we came home.  
I was in at Mrs G<sup>c</sup> Leays
